

P.O.S & SALES software

MAXIMUM CONTROL OVER YOUR DEBTORS AND INCOME

Vision ® P.O.S & Sales is a full debtor Administration System and more! This module works as a stand alone or could be integrated with the other surrounding modules of the Vision ® software.

It offers all possible features to achieve the maximum control over your debtors and income. With interfaces for barcode readers, POL displays, cash drawers, EFD/ ESD fiscal devices and receipt printers.

Vision ® P.O.S & Sales is the complete solution for any company, whether small or large!
